SOUL CARE SPEAKER SERIES

Funeral Practices & Consumers Rights

with Beverly Tryk, People's Memorial Association

Wednesday July 12, 2023, noon – 1:30 PM

The time after a death can be as difficult as the time prior to a death. Understanding the necessary steps, advance planning and being informed can help ease the grief. Beverly Tryk will give us an overview of various funeral practices and information about consumer rights in the funeral industry. People's Memorial Association has been the thought-leader for funeral choice, education, and advocacy in Washington State for over 80 years.

Beverly has lived everywhere from southern California to rural Mozambique but has returned to the PNW like the salmon she is. She is passionate about community health outreach and consumes public health data for breakfast. Beverly found People's Memorial when she was preparing for the Peace Corps and had to create her own end of life plan. In her time not held captive by cozy blankets and gripping reads, she is a well-caffeinated volunteer interpreter.
